The one who giving me more than
I deserves means "It's only you tamil."
If I am getting 12 am wishes means
without any doubt I can say it's
my friend TAMIL. Nobody given me this
and I am sure even in future nobody
is gonna replace you my dear! I think
and believe that 14 years of friendship is
not an easiest thing to maintain but
really I don't know how you managed all
my madness and arrogana! Thanks for
All you have given for me! Love you!
